

# SHY SUSAN

## 2019 BLANC DE BLANCS

“This sparkling wine is excellent and then some.”

**95 points Campbell Mattinson**

## 2024 RIESLING

“It has good intensity of flavour but the mouthfeel is the thing. And the length. And the elegance. In short this riesling is lovely all-around.”

**93 points Campbell Mattinson**

## 2024 GRUNER VELTLINER

“The slatey, stone-like quality of the finish is of particular note; it gives the wine both emphasis and a nod to savouriness. There’s also a tautness to this wine. It’s terrific.”

**95 points Campbell Mattinson**

## 2024 PINOT GRIS

“This isn’t your average pinot gris. It has a gravity. It’s textural and punchy and perfumed and a step or three beyond the average.”

**94 points Campbell Mattinson**

## 2023 CHARDONNAY

“This is A Grade chardonnay. It has an intensity, it’s complex, it’s elegant and it extends.”

**95+ points Campbell Mattinson**

## 2024 NEBBIOLO ROSÉ

“You get flavour, you get style and in the end you get a wine that is memorable.”

**94 points Campbell Mattinson**

## 2022 SANGIOVESE

“Concentrated and boasting layers of deep flavour, it canvasses the grape’s immediate earthy red fruits, plum and spice against a structure of well-managed oak, coiled tannins and discreet savoury influences. What a beauty.”

**96 points Jeni Port, Wine Companion**

## 2023 TEMPRANILLO

“This wine is not excessive or overblown; it’s medium weight, and just plain terrific.”

**95 points Campbell Mattinson**

## 2022 SHIRAZ

“Every inch of this wine feels immaculate.”

**94 points Campbell Mattinson**
